

Development

The DHA received a \$34 million HOPE VI grant from HUD to do demolition and new development on the footprint of what was formerly known as Longview Place. The new development is now called Wabash Crossing and there have been three phases of construction completed. This development is a mixed finance project which includes a combination of Public Housing units, Low Income Housing Tax Credit units, Housing Choice Voucher units and Market Rate units. There is a leasing office onsite and you can reach them at 217-428-4630.
